1. Introduction

At Keys Group, we are committed to creating extraordinary days for every pupil by fostering a safe, nurturing, and therapeutic learning environment. Our pupils often come with complex needs, including emotional, behavioural, and social challenges, many having experienced exclusion from mainstream education. This policy outlines our trauma-informed, relationship-centred approach to supporting positive behaviour across our independent special schools.

2. Purpose and Scope

This policy applies to all staff, pupils, parents/carers, and stakeholders within Keys Group schools. It aims to:

- Promote positive relationships and high expectations of behaviour.
- Support pupils to develop self-regulation, responsibility, and social skills.
- Provide a clear framework for consistent, compassionate, and trauma-informed behaviour management.
- Ensure compliance with the OFSTED inspection framework and relevant legislation.

3. Our Approach

Trauma-Informed and Relational Practice

- All behaviour is communication. We seek to understand the underlying needs, including trauma, attachment, sensory processing, and executive function difficulties.
- We adopt the Keys Connect model, emphasising warmth, consistency, and predictability.
- Positive noticing and strength-based language underpin our daily interactions.
- Punitive sanctions that shame or isolate are avoided; natural, restorative consequences are preferred.
- A bespoke, engaging curriculum supports positive behaviour through meaningful learning.

4. Roles and Responsibilities

Pupils

- Understand and engage with behaviour expectations and support plans.
- Participate in reflecting on their behaviour and contribute to school culture.

Staff

- Model warmth, curiosity, and consistent boundaries.
- Use de-escalation and co-regulation techniques.
- Record behaviour incidents accurately and reflectively.

Parents/Carers

- Support the school's approach collaboratively and reinforce positive behaviour at home.
- Engage proactively with school communications and support plans.
- Parents and carers will be actively involved in behaviour support planning and reviews to ensure consistency between home and school environments.

Leadership

- Maintain visible, approachable leadership.
- Promote and monitor a positive behaviour culture.
- Ensure staff receive ongoing training in trauma-informed practice and behaviour support.
- A consistent behaviour management approach will be maintained across all Keys Group schools, with flexibility to adapt to the specific needs of each school community.

5. Behaviour Support Plans (BSPs)

- BSPs are personalised documents that guide staff on proactive strategies and responses to behaviour escalation.
- Developed collaboratively with multi-disciplinary teams and regularly reviewed.
- All pupils with SEND have Individual Education Plans (IEPs) which complement Behaviour Support Plans, ensuring a holistic approach to learning and behaviour.

6. Managing Behaviour Incidents

- Use calm, consistent, and least restrictive responses.
- Follow a graded approach: understanding, early intervention, time-out with support, restorative conversations.
- Record all incidents in ARBOR or RADAR systems, with analysis to inform practice improvements.

7. Restrictive Physical Interventions

- Physical intervention is a last resort, used only to keep pupils and staff safe.
- Staff are trained in approved techniques and all incidents are recorded and reviewed.
- The goal is a gradual reduction towards zero restraint.

8. Post-Incident Support and Restorative Practice

- Pupils receive support to reflect, regulate, and repair relationships.
- Staff debriefs support wellbeing and professional practice development.

9. Behaviour Beyond School

- The school may address behaviour outside school that impacts the school community or reputation, in line with statutory guidance.

10. Training and Development

- All staff receive induction and ongoing training in trauma-informed practice, Keys Connect, and Team Teach for physical intervention.
- Additional training is provided based on pupil needs and school context.

11. Equality and Inclusion

- The policy promotes fairness and sensitivity to diversity in race, faith, gender, disability, and other protected characteristics.
- Concerns about disadvantage due to this policy should be raised with line management for action.
- Behaviour management will be supported by access to mental health and therapeutic services, recognising the complex emotional and social needs of pupils.

12. Data Driven Monitoring

- Behaviour incidents will be systematically recorded and analysed by senior leaders to identify patterns and trends across pupil groups (SEND, vulnerable pupils, etc.). This data will guide targeted interventions and inform whole-school behaviour strategies.

Appendix A: School-Specific Behaviour Approach

Overview

Each school within Keys Group should develop and maintain a clear, locally tailored behaviour approach that reflects the ethos of the group while meeting the unique needs of their pupils and community. This appendix should be completed by each school and reviewed annually.

Contents

1. School Values / Ethos Related to Behaviour

Our behaviour approach is grounded in the core values of **Respect, Kindness, Responsibility, Safety, and Aspiration**. These values shape expectations for pupils and staff and underpin all interactions within the school community.

We embed these values through consistent role-modelling, restorative conversations, daily check-ins, and a rapport-based approach that prioritises relationships. Staff reinforce expectations through positive language, predictable routines, and a “every day is a new day” mindset, ensuring pupils feel safe, supported, and able to reset. Our ethos emphasises emotional regulation, mutual respect, and the belief that all behaviour is a form of communication.

2. Generic Behaviour Expectations and Routines

Pupils are expected to engage respectfully with peers and staff, use appropriate language, follow instructions, and contribute positively to the learning environment. Staff challenge inappropriate language and poor choices through calm, consistent responses and restorative dialogue.

Daily routines provide structure and predictability, including:

- **Meet and greet** at the start of the day
- **Clear transitions** between lessons
- **Structured break and lunch routines**
- **End-of-day reflection**

These routines support emotional safety, reduce anxiety, and promote consistency across the school.

3. Recognition, Reward, and Point System

Positive behaviour is reinforced through a tiered reward system that includes:

- Verbal praise and recognition
- Daily points for engagement, effort, and behaviour
- Certificates, phone calls home, and weekly celebrations
- Access to privileges such as enrichment activities, preferred tasks, or reward outings

Rewards are used to motivate pupils, reinforce expectations, and celebrate progress. Staff focus on recognising small steps, encouraging pupils to reflect on their achievements and set new targets.

4. Support Networks and Roles

Our behaviour and pastoral support structure includes:

- **Pastoral Lead** – oversees behaviour strategy, supports staff, and coordinates interventions
- **Safeguarding Lead** – ensures pupil safety, manages concerns, and liaises with external agencies
- **SENCO** – supports pupils with additional needs, coordinates EHCP provision
- **Keyworkers** – provide daily emotional support, mentoring, and family communication
- **Whole school team** – assists with de-escalation, crisis support, and restorative work

Referral processes are clear and accessible, with staff able to escalate concerns through Arbor, safeguarding systems, or direct communication with pastoral leads/DSL.

5. Links to External Support

The school works closely with a range of external agencies to meet pupils' behavioural, emotional, and social needs, including:

- **CAMHS** for mental health assessment and intervention
- **Educational Psychologists** for cognitive and behavioural assessments
- **Social Care** for safeguarding and family support
- **Youth Services** for mentoring and community engagement
- **Local SEND services** for specialist advice and provision

These partnerships ensure a holistic, multi-agency approach that strengthens support for pupils and families, enabling early intervention and sustained progress.
